

Dear Parents,

In the present scenario of complex world it is very important to have a holistic approach to a child's development, which seeks to simultaneously address the physical, emotional, relational, intellectual, and spiritual aspects of a child's life. The importance of the Holistic Approach is that Children learn different things at different stages, e.g. confidence building, good orator skills, fine motor skills etc.

To provide a platform to hone these skills, Brainstorm Entertainment is organizing International Kids Festival 2018 (IKF) in association with Rabindranath World School Gurgaon at THE BRISTOL, Gurgaon from 30<sup>th</sup> March to 2<sup>nd</sup> April, 2018. The children will get an opportunity to interact with celebrity experts, like Shiamak Davar Team, Sushant Kalra, Sachin Kkhumra, Dr. Anjali Hooda , Lushin Dubey & Bubbles Sabharwal to name a few, followed by a Grand Finale Fashion Show.
